1. Introduction

The European Commission (hereafter 'the Commission') is committed to protect your personal data and to respect your privacy. The Commission collects and further processes personal data pursuant to [Regulation \(EU\) 2018/1725](#) of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data (repealing Regulation (EC) No 45/2001).

This privacy statement explains the reason for the processing of your personal data, the way we collect, handle and ensure protection of all personal data provided, how that information is used and what rights you have in relation to your personal data. It also specifies the contact details of the responsible Data Controller with whom you may exercise your rights, the Data Protection Officer and the European Data Protection Supervisor.

The information in relation to processing operation De-risking Energy Efficiency Platform (*DEEP*) undertaken by the Data Controller is presented below.

2. Why and how do we process your personal data?

The De-risking Energy Efficiency Platform (DEEP) is a database containing technical and financial performance data of energy efficiency projects.

Purpose of the processing operation is to allow Single-Sign-On (SSO) with the EU Login (to authenticate the access to the database), measure the effectiveness and efficiency of DEEP database with Europa Analytics (for web inventory of total page views) and retain contact details necessary for the exchange of information between the providers of project data and the database administrator (the providers of project data can supply it on a voluntary basis).

Your data will not be used for an automated decision-making, including profiling.

3. On what legal ground(s) do we process your personal data

You have provided project data to the DEEP database on a voluntary basis. We process your personal data, because the processing is necessary for the Single-Sign-On with the EU Login and for monitoring and maintenance of the DEEP database. Sharing of further personal data (your name, name and nature of your organisation, your email address and telephone number) is optional and takes place based on your explicit consent at the login on the Platform or when submitting your project data to the database administrator.

4. Which personal data do we collect and further process?

In order to carry out this processing operation, the Data Controller obtains your personal data from the EU Login, the Europa Analytics tools and the data you enter on your DEEP profile page. In particular, we process the following personal data for the purpose described above:

From your EU Login (mandatory data):

- Your EU Login ID

From your profile page (optional data):

- Your name
- Your email address
- Your telephone number
- Name of your organisation

- Nature of your organisation (choices: Public Bank, Private Bank, IFI, ESCO, Scheme Manager, Supplier, Host Investor, Other)

5. How long do we keep your personal data?

The Data Controller only processes and keeps your personal data for the time necessary to fulfil the purpose of the Single-Sign-On with the EU Login and for monitoring and maintenance of the DEEP database. Therefore, your personal data will be deleted at your request of when we are informed that you don't need access to the Platform. The optional data mentioned above can be deleted at any moment upon your request, as it is not necessary for getting access to the Platform itself.

6. How do we protect and safeguard your personal data?

All personal data in electronic format (e-mails, documents, databases, uploaded batches of data, etc.) are stored either on the servers of the European Commission or of its contractors. All processing operations are carried out pursuant to the [Commission Decision \(EU, Euratom\) 2017/46](#) of 10 January 2017 on the security of communication and information systems in the European Commission.

The Commission's contractors are bound by a specific contractual clause for any processing operations of your data on behalf of the Commission, and by the confidentiality obligations deriving from the transposition of the General Data Protection Regulation in the EU Member States ('GDPR' [Regulation \(EU\) 2016/679](#)).

In order to protect your personal data, the Commission has put in place a number of technical and organisational measures in place. Technical measures include appropriate actions to address online security, risk of data loss, alteration of data or unauthorised access, taking into consideration the risk presented by the processing and the nature of the personal data being processed. Organisational measures include restricting access to the personal data solely to authorised persons with a legitimate need to know for the purposes of this processing operation.

7. Who has access to your personal data and to whom is it disclosed?

Access to your personal data is provided to the Commission staff and to the staff of our contractor responsible for carrying out this processing operation and to authorised staff according to the "need to know" principle. Such staff abide by statutory, and when required, additional confidentiality agreements.

8. What are your rights and how can you exercise them?

You have specific rights as a 'data subject' under Chapter III (Articles 14-25) of Regulation (EU) 2018/1725, in particular the right to access, rectify or erase your personal data and the right to restrict the processing of your personal data. Where applicable, you also have the right to object to the processing or the right to data portability.

You have consented to provide your non-mandatory personal data to DG ENER - Directorate B: Just Transition, Consumers, Energy Security, Efficiency and Innovation - Unit ENER.B2 Energy Efficiency: Policy and Financing - for the present processing operation. You can withdraw your consent at any time by notifying the Data Controller. The withdrawal will not affect the lawfulness of the processing carried out before you have withdrawn the consent.

You can exercise your rights by contacting the Data Controller, or in case of conflict the Data Protection Officer. If necessary, you can also address the European Data Protection Supervisor. Their contact information is given under Heading 9 below.

Where you wish to exercise your rights in the context of one or several specific processing operations, please provide their description (i.e. their Record reference(s) as specified under Heading 10 below) in your request.

9. Contact information

- The Data Controller

If you would like to exercise your rights under Regulation (EU) 2018/1725, or if you have comments, questions or concerns, or if you would like to submit a complaint regarding the collection and use of your personal data, please feel free to contact the Data Controller:

European Commission - Unit ENER.B2 – Energy Efficiency: Policy and Financing - ENER-EEEFIN-COALITION@ec.europa.eu

- The Data Protection Officer (DPO) of the Commission

You may contact the Data Protection Officer (DATA-PROTECTION-OFFICER@ec.europa.eu) with regard to issues related to the processing of your personal data under Regulation (EU) 2018/1725.

- The European Data Protection Supervisor (EDPS)

You have the right to have recourse (i.e. you can lodge a complaint) to the European Data Protection Supervisor (edps@edps.europa.eu) if you consider that your rights under Regulation (EU) 2018/1725 have been infringed as a result of the processing of your personal data by the Data Controller.

10. Where to find more detailed information?

The Commission Data Protection Officer (DPO) publishes the register of all processing operations on personal data by the Commission, which have been documented and notified to him. You may access the register via the following link: <http://ec.europa.eu/dpo-register>.

This specific processing operation has been included in the DPO's public register with the following Record reference: *DPR-EC—27791.1*
